

PRE-OWNED CAR COVERAGE (UP TO 15 YEARS OLD, OR 260,000KM)

Covered Parts

Braking System

1. Master Pump
2. Slave Pump

Clutch Systems

1. Master Cylinder
2. Slave Cylinder

Electrical Components

1. Engine factory fitted ECU
2. Aftermarket ECU fitted by the Authorized Workshop

Engine Cooling System

1. Valve and Controls
2. Viscous and Couplings

Engine Components and Parts

1. Cam Shaft and Follower
2. Connecting Rods
3. Crankshaft
4. Cylinder Head (not due to overheating)
5. Gudgeon Pins
6. Oil Pump
7. Push Rods
8. Rocker Assembly
9. Timing Gears
10. Valves and Guides

Suspensions

1. Broken Shafts
2. Coil Springs
3. Drag Arm Links
4. Front Knuckle Arm
5. Stabilizer Rods

Electrical Motors

1. Air-Con Compressor
2. Alternator
3. Distributor
4. Starter Motor
5. Wiper Motor

Gearbox (Manual Transmission)

1. Bearing and Bushes
2. Brake Bands and Clutches
3. Gears and Shafts
4. Governors and Servos
5. Oil Pump
6. Valves and Gear Lever

Gearbox (Automatic Transmission)

1. Bearing and Bushes
2. Gears and Shafts
3. Synchromesh Hubs

Steering

1. Idler Box
2. Rack and Pinion
3. Steering Box
4. Steering Column

Drive Shaft

1. Front Wheel Drive Shafts
2. Rear Wheel Drive Shafts

Hybrid System & Related Components

1. Battery

Excluded Parts

Braking Systems

1. Brake Pads
2. Brake Rotors
3. Calipers
4. Hoses and Linings

Clutch Systems

1. Clutch Discs and Plates
2. Linings, Bearings and Cables

Electrical Components

1. All Bulbs and Fuses
2. All Sensors and Solenoids
3. Battery and Terminals
4. Wires and Harness

Engine, Component and Parts

1. Air Filters, Spark Plugs and Cables
2. All Belts and Chains
3. Bearing and Tensioner
4. Hoses and Pipings
5. Mountings

Engine Cooling System

1. Hoses and Pipings
2. Radiator
3. Thermostat
4. Water Pump

Electrical Motors

1. All Coils and Wires
2. Belts and Pulleys
3. Fan Motor

Gearbox

1. All differential front or rear
2. All auxiliary pumps relating to Gearbox operations.

Steering

1. Alignment, Rotation and Balancing Belts and Bearings
2. Pulleys, joints and Couplings
3. Tyres

Suspensions

1. Broken Shafts and Pulleys
2. Shock Absorbers

Others

1. Air-Con Refrigerant
2. All Fluids
3. All Seals and Gaskets
4. Body Corrosion
5. Connected Equipment
6. Diagnostic Software Upgrading
7. Glass
8. In-Car Entertainment or Communication System
9. Paint and Bodywork
10. Toggles, Switches and Buttons
11. Upholstery
12. Wiper Blades

Note:

The parts listed above are typical parts of a vehicle. Due to variations in vehicle design, make and models, this listing may not be exhaustive. Parts not listed are deemed as not being covered under this Policy.

IMPORTANT: The above-mentioned endorsements if stated in the Schedule as being applicable to the insured form part of the Policy. Please read and examine the policy carefully and if incorrect return it immediately for alteration. If the policy does not meet your requirement or you do not agree to any of its terms, conditions and exceptions please return the policy for cancellation immediately upon receipt of it or within 15 days thereof.

Basic Pre-Owned Car Coverage

Covered Parts:

Engine Components and Parts

1. Cam Shaft and Follower
2. Connecting Rods
3. Crankshaft
4. Cylinder Head (not due to

5. Gudgeon Pins
6. Oil Pump
7. Push Rods
8. Rocker Assembly
9. Timing Gears
10. Valves and Guides

Gearbox (Manual Transmission)

1. Bearing and Bushes
2. Gears & Shafts
3. Selectors
4. Synchromesh Hubs

Gearbox (Automatic Transmission)

1. Bearing and Bushes
2. Brake Bands & Clutches
3. Gears & Shafts
4. Governors & Servos
5. Oil Pump
6. Valve & Gear Lever
